LEDForce Par 18™ RGBW

LEDForce 18™ RGBW Par Cans with 18 x 4IN1 RGBW LED will blind you with powerful light output of multichip Quad-colour LED technology. No multicolour shadows and extremely bright beam of 25° beam angle - this is the result of superior colour mixing lens system. Low weight aluminum housing with double hanging brackets – for truss mounting and floor standing allows mounting in any position. Gel frame included as standard and optional 10° lens kit available upon demand.
